

25-29 AUGUST 2015 YALE CORINTHIAN YACHT CLUB

LaserPerformance and Yale University request the presence of New Zealand to compete in the inaugural LaserPerformance Collegiate Cup to be held at Yale Corinthian Yacht Club on **25-29 August 2015**.

The Collegiate Cup will draw together university age sailors from around the globe to enter into a unique and challenging event. The LPCC aims to provide young sailors with the highest level of competition and a common place to share experiences and ideas. Teams can participate in a development clinic and will have the support of the event ambassador two-time ISAF World Sailor of the Year and 2008 Olympic Gold Medalist Anna Tunnicliffe.

The inaugural 2015 LaserPerformance Collegiate Cup will take place at the Yale Corinthian Yacht Club in Branford, Connecticut, USA. Teams of 6 university-age sailors are invited to vie for the Cup in a **combination of team racing and fleet racing in Yale's Z420 boats**.

LaserPerformance is currently developing event sponsors to support and enhance the LPCC. More information on event partners and sponsors will be communicated in the near future.

The winning team will win the Collegiate Cup trophy and will be awarded an all-expenses paid trip to the 2nd annual LaserPerformance Collegiate Cup in Lake Garda, Italy in 2016 to defend the title.
