No Round Robin will be started if in the opinion of the Race Officer it is unlikely to be completed (except as provided for in D4.2b) by 1700 on Friday 29th April. However, racing may continue after this time to complete a series already commenced.

6.5 *Racing Format:*
It is intended that racing will consist of a series of seeded divisional round robins, each followed by repechages, to allow teams to move up and down the ranking, after which regatta points will be awarded. Repechages may be dispensed with if scheduling does not allow.

(Further format details will be included in the Sailing Instructions).

7.0 Sailing Instructions

The full starting sequence will be included in the Sailing Instructions, which will be available at registration.

It should be noted that the warning Signal will be made at 3 minutes before the start

The preparatory signal will be made one minute before the start.

(This will mean that boats will only be **racing** from the one minute signal. A boat not **racing** shall not be penalised for breaking a rule of Part 2 of the Racing Rules of Sailing except rule 24.1).

8.0 Racing Area

The sailing area will be Algies Bay/Kawau Bay.

9.0 Courses to be Sailed

The course will be a right hand 'S'.

10.0 Scoring

10.1 Scoring will be in accordance with RRS Appendix D3 and D4 within each "seeded group" as stated in 6.5(a). Following reallocation after any repechage teams will be awarded 'regatta points', based on the number of teams in the event. These points accumulate over all RRs in the series to give the final ranking.

If the number of teams in the competition is not equally divisible, the extra team(s) shall be put into the Divisions in order from Gold to B, to C, etc.

No combined schools team which finishes a round robin at or near the top of silver fleet may sail in any repechage. The order will be re-arranged so that their place will be taken by the next highest placed single school team. The regatta points awarded after the repechage has been sailed will be based on this rearrangement of the order

10.2 For the event to be 'completed' at least one round robin shall be completed. This changes Rule D4.2b.

10.3 The top three eligible teams will be selected for the Interdominion Series. It is intended that up to 3 top girls teams may also be invited. Selected teams must confirm their intention to attend and deposit a good faith bond of \$500 to NZTSA within 14 days of selection. This bond to be returned when attendance at the Interdoms is confirmed. Selected teams unable to attend will be replaced by teams next down the rankings.

11.0 Prizes

Trophies will be awarded to the top "open" team, the top silver and bronze fleet teams and the top "single school" "girls only" team.

Note: Formal dress uniform is required for the prize-giving dinner, to be held on Friday 29th, at 1900, at the Mahurangi East Community Centre, Snells Beach.

12.0 Team Support Boats

Spectator boats shall remain more than 100m from the course area.

One coach/manager per team may be allowed on the changeover barges.

Appendix X

NZTSA will use the guidelines set out below to assess a team's suitability to be accepted.

These are guidelines for assessing entries to the event. They will be applied in the order below. It is NZTSA's sole right to accept or decline any entry. Failure of a team which is accepted, to not meet any of these guidelines shall not be grounds for redress or protest.

The two main criteria are involvement in encouraging team sailing and ability to handle the boats used in the regatta safely.

This year NZTSA is attempting to accommodate all teams that apply to attend the National championships with the following limitations:-

1. They must demonstrate an ability to handle 420 sailing dinghies to NZTSA requirements.
2. They must show that they are actively "Playing the Sport" of teams sailing.
3. They must submit the Team Entry Form, regatta fees and bond (if required) by 31st March 2016.

To comply with 1 and 2 above teams must have attended, not earlier than 2015, an NZTSA approved regatta. These include:-

1. 2015 Nationals,
2. 2015 October Spring regatta
3. Auckland, Upper, Central and Lower North Island and South Island Championships 2015 onwards.
4. Any NZTSA approved Regional regattas involving four or more teams, 2015 onwards.
5. December training regattas where an NZTSA instructor validates the teams' skill level.
