- 6.5 *Racing Format:*
Teams will be seeded into divisions using the criteria in Appendix X. It is intended that racing will consist of a series of seeded divisional round robins, each followed by repechages, to allow teams to move up and down the ranking, after which regatta points will be awarded. Repechages may be dispensed with if scheduling does not allow. However, this format may be changed, at the discretion of the Race Committee, if weather conditions do not permit completion of the programme.
(Further format details will be included in the Sailing Instructions).

7.0 Sailing Instructions

The full starting sequence will be included in the Sailing Instructions, which will be available at registration.
It should be noted that the warning Signal will be made at 3 minutes before the start
The preparatory signal will be made one minute before the start.
(This will mean that boats will only be racing from the one minute signal. A boat not racing shall not be penalised for breaking a rule of Part 2 of the Racing Rules of Sailing except rule 24.1).

8.0 Racing Area

The sailing area will Algies Bay/Kawau Bay.

9.0 Courses to be Sailed

The course will be a right hand 'S'.

10.0 Scoring

10.1 Scoring will be in accordance with RRS Appendix D3 and D4 within each "seeded group" as stated in 6.5(a). Following reallocation after any repechage teams will be awarded 'regatta points', based on the number of teams in the event. These points accumulate over all RRs in the series to give the final ranking.

No combined schools team which finishes a round robin at or near the top of silver fleet may sail in any repechage. The order will be re-arranged so that their place will be taken by the next highest placed single school team. The regatta points awarded after the repechage has been sailed will be based on this rearrangement of the order.

10.2 For the event to be 'completed' at least one round robin shall be completed. This changes Rule D4.2b.

10.3 The top three eligible teams will be selected for the Interdominion Series (which may include other countries). It is intended that up to 3 top girls' teams may also be invited. Selected teams must confirm their intention to attend and deposit a good faith bond of \$500 to NZTSA within 14 days of selection. This bond to be returned when attendance at the Interdoms is confirmed. Selected teams unable to attend will be replaced by teams next down the rankings.

10.4 The winning team will be granted New Zealand representative team status, as recognised by Yachting New Zealand, should they attend the Interdominion Championships.

11.0 Prizes

Trophies will be awarded to the top "open" team, the top silver and bronze fleet teams and the top "single school" "girls only" team.

Note: Formal dress uniform is required for the prize-giving dinner, to be held on Friday 27th, at 1900, at the Mahurangi East Community Centre, Snells Beach.

12.0 Team Support Boats

Spectator boats shall remain more than 100m from the course area.

Appendix X

NZTSA will use the guidelines set out below to assess a team's suitability to be accepted.

These are guidelines for assessing entries to the event. They will be applied in the order below.

It is NZTSA's sole right to accept or decline any entry. Failure of a team which is accepted, to not meet any of these guidelines shall not be grounds for redress or protest.

The two main criteria are involvement in encouraging team sailing and ability to handle the boats used in the regatta safely.

This year NZTSA is attempting to accommodate all teams that apply to attend the National championships with the following limitations:-

1. They must demonstrate an ability to handle 420 sailing dinghies to NZTSA requirements.
2. They must show that they are actively "Playing the Sport" of team sailing.
3. They must attend a 2018 regional seeding regatta or have attended the 2017 Nationals.
