

News - Upper North Islands

What nicer place than 3 days at Algies Bay... Easterly 6 - 10 knots - ideal for the newer team sailors

At the end of day 2, some great racing, some very close racing at very high level. Top 6 at end of day 2,

Mahu 1
Macleans
Keri 1
Whangarei 1
Weslake Boys
St Kents

These teams will go into a finals days, and the remaining teams will move into a 8 team round robin - so still lots of sailing to go.

Final's day, new format used for top 6 teams, which stepped through a series of semi finals, plate and finals. The silver fleet had a full 8 boat round robins with whole time in boats

Boy there was some close racing and display of some very good skills - made umpiring very challenging.

Placings

Gold Fleet

Mahu 1
Westlake
Keri 1
