

## News - Spring Regatta 2011

Another great event at Algies Bay - given the weather at the time, got a lot of racing in. During the three days there was great improvement in boat handling and team sailing. There was an initial round robin with all all teams and then split into Gold / Silver fleets with 5 in each. It was good to see Marlborough Girls make the long trip up and New Plymouth Boys and new team from Glendowie get involved. Westlake Girls managed to upset the normal pattern of Mahu / Kerikeri 1 - 2, but only just on count back from Mahu.
